JUDGE THURMAN TO SPEAK AT LANCASTER

Prominent Director Of Pool In Garrard Monday—All Co-Operatives To Meet

Lexington, Ky., Oct. 19.—President and General Manager Jas. C. Stone, of the Burley Tobacco Growers' Co-operative Association, will address the tobacco growers of Shelby county at Shelbyville Saturday afternoon at 1:30 o'clock. Director Clifford L. Walters, of that county, announced today. Mr. Stone probably will render an account of stewardship on the part of the officials of the Association during the first year of its operation. Mr. Walters said that all growers, whether members of the association or not, are invited to attend this meeting and "hear the truth about the co-operative from the man who knows more about what it has done than anyone else."

Judge I. H. Thurman, of Springfield, another Burley Association director, will speak in Gallatin, Sumner county, Tennessee, Saturday and at Lancaster, Garrard county, Monday, October 23, which is court day in Garrard.

A. J. Wheeler, of Georgetown, Indiana, was in Lexington today. Mr. Wheeler said that some progress is being made in the sign-up in the Indiana counties in spite of efforts being made to purchase the crops from the growers by buyers representing loose leaf warehouses in that territory and in Louisville.

Next Monday at Louisville, representatives of the leading co-operative associations in America will meet with Judge Robert W. Bingham, of the Burley Tobacco Growers' Association, to discuss a call for a nation-wide conference of co-operatives at Washington at an early date, which is to be called to consider recommendations from the agricultural interests in Congress in regard to rural credits legislation. Judge Bingham will preside at this meeting, the date for the meeting in Washington will be set definitely and every bona fide co-operative marketing association in the country will be invited to send representatives.

According to Charles M. Morgan, acting secretary of the committee, this will be a "billion dollar conference," as it will be composed of men representing a billion dollars' worth of business, annually. The members of the committee who will meet Judge Bingham in Louisville Monday and Tuesday are Aaron Sapiro, general counsel of most of the American co-operatives; Carl Williams, president of the American Cotton Growers' Exchange, of Oklahoma City; B. W. Kilgore, director of extension, Raleigh, N. C.; George W. Jewett, manager Northwest Wheat Growers' Association, Portland, Oregon; Charles C. Teague, California Fruit Growers' Exchange, Los Angeles; Clifford V. Gregory, editor of the Prairie Farmer, Chicago; Howard Leonard, president of the Illinois Agricultural Association, Chicago; Milo C. Campbell, president of the National Milk Producers' Association, Colliwater, Michigan; H. C. Coykendall, manager Prune and Apricot Growers' Association, of San Jose, California; C. O. Moser, secretary American Cotton Growers' Exchange, Dallas, Texas, and Mr. Morgan, who is acting secretary of the committee.

OFFERS HERSELF FOR HUSBAND AT \$5,000

(By Associated Press)
Des Moines, Oct. 19.—Her money almost gone and partly paralyzed, Mrs. Ruth Schermerhorn, 23, advertises in the newspapers here, she will sell herself to any man who furnishes her with \$5,000 for an operation which she hopes will restore her health and beauty, and her youth. Her husband shot her four years ago, and then killed himself. Mrs. Schermerhorn says the offer to sell herself is entirely a commercial proposition. She added, "I am not particular at all about the physical aspects of my future husband."

Jockey's Mexican Wife Suicides
(By Associated Press)
Cincinnati, Oct. 19.—Despondent because of failure to affect a reconciliation with her husband, Earl Pool, widely known jockey, Mrs. Angelita Pool, 28, ended her life here today by poison.

Boyd Heads Physicians

Paducah, Ky., Oct. 19.—Dr. Frank Boyd, of Paducah, was unanimously elected president of the Kentucky State Medical Association at its convention here today.

TROUBLE AGAIN IN VLADIVOSTOK

(By Associated Press)
Tokio, Oct. 19.—Lawlessness reigns in Vladivostok as a result of the approach of the victorious "Red" army, officials say. The French consulate was attacked yesterday and foreigners have appealed to their governments for protection. The American consulate is engaged as a refuge for Americans. The building is being guarded by guns of an American cruiser.

WESTERN DIXIE ROUTE GETS TOURISTS

(By Associated Press)
Chattanooga, Tenn., Oct. 19.—Tourists enroute south this winter from central and western states should use the western section of the Dixie Highway via Louisville, Bowling Green, Nashville and Chattanooga, according to R. L. Park, secretary of the Chattanooga Automobile Club, who has just completed an inspection of both divisions of the highway.

RICHMOND SOLDIER WOUNDED AT CAMP

Sergeant George D. Blevins, while out duck hunting on Lake Erie on the 10th, had a very serious shot injury to his right foot which necessitated its being amputated. Sergeant Blevins, no doubt saved his own life by applying his belt as a tourniquet above his wound. His prompt and efficient action prevented excessive hemorrhage. His two brothers, Robert and J. L. Blevins, of this city, hastened to his bedside at La Vorne, Ohio. Later news from the young soldier is that he is doing well and is in excellent condition, and his hospital surgeon is well pleased with his progress.

MUCH INTEREST IN CANTRILL SPEAKING

Much interest is being manifested in the appearance here of Congressman J. Campbell Cantrill of the 7th District, who speaks in the court house Friday night in the interest of the re-election of Congressman Ralph Gilbert. Cantrill has proven himself the friend of the farmers and tobacco growers time after time. He has probably made more speeches for the tobacco pool than any other person in the state and they are expected to turn out in large numbers to hear him. He is a captivating speaker and will have something mighty interesting to say. The ladies are especially invited.

Speaking At Deatherage
There will be a speaking and discussion of 20c road tax at Deatherage school house Tuesday night, Oct. 24th, at 7:00 o'clock. Every voter should be present and hear something of interest. 248 td

BOGGS COMMENDS CITIZENS' COMMITTEE

For Their Interest In Looking After Taxpayers' Interests on Inter-County Seat Roads

State Highway Engineer Joe S. Boggs agrees with the Citizens' Committee that they are exactly right in looking after the interests of the taxpayers of Madison county on all inter-county seat roads. He has answered the committee's letter with respect to upkeep of the Lexington road and tells what steps have been taken to provide a passable highway for travelers since work has been shut down by the contractors of the concrete highway. His letter will be read with interest and is as follows:

Frankfort, Ky., Oct. 17, 1922
Mr. R. E. Turley, Chairman
Mr. M. C. Kellogg, Secretary
Pro Tem. Citizens' Road Committee, Richmond, Ky.
Gentlemen:—

I have your favor of the 16th instant and was already aware that Judge J. D. Goodloe had delegated to your committee certain powers and duties in case Madison county voted a 20c road tax at the regular election on November 7th. It is my understanding that the proceeds of this tax, if voted, are to be devoted exclusively to the construction of the inter-county seat roads of the county, in the cost of which the State and Federal governments participate.

I concur with you that you would not be fulfilling your duty at the present time unless you took an interest, on behalf of the taxpayers of the county, in the construction of the several miles of concrete road on the Richmond-Lexington pike under contract to Carey-Reed & Company, in which contract the government, the State and the county are all financially interested. I appreciate the interest that you evidence in this contract and the points that you raise as to its present condition. I hold no brief for the contractors and believe that if better business methods had been used in the handling of this work this summer the contract could have been completed this season. It must, however, be taken into consideration that after the award of this contract in the fall of 1921, at the request of various citizens of Richmond and the contractors Oisnyall and the community through which this road extends, this department instructed the contractors not to begin work until the spring of 1922, thereby depriving them of the right to the grading in the winter months so that paving operations could be started in the early spring. In addition, their work has been somewhat affected by the embargo placed July 25th against the shipment of road building materials. This, however, was overcome by water shipments to Clay's Ferry. At about the time they had their work well under way again the Universal Cement Company, who had contracted to supply the cement for the work at the rate of not less than a car per day, cut down this supply to one car per week on account of their coal shortage. The contractors took up with this office the matter of cement supply and we endeavored in every possible way to secure a sufficient quantity of cement to continue operations until cold weather, but were informed by other cement mills that on account of their fuel shortage they could not spare one car per day to this work.

Such conditions, added to an inferior organization, caused this office to issue instructions for shutting down the work until the spring of 1923. It has, however, been provided by memorandum agreement with the contractors, that they are to keep this road in a passable and travelable condition until they can resume operations. Mr. Brattain, one of our inspectors, has been left on this work for thirty days to personally see that the 1100 feet of new grade beyond the present end of the concrete pavement is either macadamized or surfaced with a heavy coat of gravel, and that all defective places in the road and grades over drainage structures are surfaced so that the traveling public can comfortably use same during the winter months.

A few days ago I personally inspected the condition of this road and concur with you that this department owes it to the citizens of the county to keep same in a passable shape until the contractors resume the work—which you can be assured will be done. I am very glad that your committee has brought these matters to my attention. Yours very truly,
JOE S. BOGGS,
State Highway Engineer

LOYD GEORGE DEFEATED IN ENGLAND

British Government In Confusion As Result Of Resignation Of Its Outstanding Leader

(By Associated Press)
London, Oct. 19.—Government Prime Minister Lloyd George resigned today. The Lloyd George coalition was given a death blow at the hands of the Conservative party when its members voted 186 to 87 to appeal to the country as the Conservative party. This creates a situation of the greatest political confusion and uncertainty the country has known for many years. The Conservative leader to be selected is expected to be either Andrew Bonar Law or the Earl of Derby.

STRONG LANCASTER ELEVEN HERE FRIDAY

Madison Hi has the hardest football game on her schedule to play Friday. The game will be staged on the Normal gridiron with the famous Lancaster Hi eleven as the opposition. Coach Lassiter has his work cut out for him this week to put his boys in shape to start this battle. The visitors from Garrard county have played five games so far this year, winning all of them. They have run up a total of 204 points compared with their opponents 26. Two of the Lancaster backfield men, W. Robinson and Captain Cox, are thought to have excellent chances to land an all-state berth. These boys seemed so ferocious that the Lexington Blue Devils, considered one of the best high school eleven in the state, have cancelled their game with them on November 26. They fear that this strong eleven might injure their chances of winning their annual game with Somerset, which is to be played on November 30. Among Lancaster's victims is the Versailles eleven which defeated the locals last Friday by two touchdowns. Madison will put as good a team on the field as they have trotted out at any time this season. They will try hard to upset the dope bucket by taking Lancaster's measure.

One of the largest crowds of the season is expected to be on hand for the game. Last year Lancaster defeated Madison on their home grounds and the locals would add a tall feather in their cap by getting due revenge. Lancaster has practically the same team here last year to play Normal Hi that they will start against Madison. This will be remembered as a very fast aggregation. Madison will practice every afternoon hard until this game. All of the fans are invited to come out and view any rehearsal.

Another Main Street Building To Have New Front

Todd & Son, of this city were awarded the contract for remodeling the building now occupied by E. V. Elder. A new front will be installed, with large, deep display windows, and the store inside, and out will undergo improvements and will add to the attractiveness of Main Street. Mr. Elder is now conducting a big sale in order to make room for the extensive improvements.

SAW ARMENIANS BURN IN CHURCH

(By Associated Press)

Louisville, Ky., Oct. 19.—The sight of twelve hundred Armenians crowded into a church, kerosene thrown on the building and the torch applied, with the structure destroyed and those inside burned to death, was one of terrible scenes witnessed during the burning of Smyrna, W. J. Bush, a wireless operator, aboard the U. S. MacLeish, writes to Louisville friends.

Describing the scenes attending the investment of the city by the Kemalist forces, he wrote:

That night the Armenian quarter was fired. A shift of the winds spread the flames to the European section, setting fire to the buildings and residences along the water front.

People were running in all directions, many persons jumping into the water to escape the flames. Ships from different countries picked up their naturalized citizens wherever possible.

Into one church the Turks had crowded 1,200 Armenians. Kerosene was poured on the building and it went up in smoke, with all inside.

An orgy of rapine and murder was being carried on, but members of neutral patrols could not interfere. It was pitiful.

DR. SIMPSON TALKS TO EXCHANGE CLUB

The members of the Exchange Club enjoyed a splendid address of Dr. Simpson, of Birmingham, Alabama, at their luncheon Wednesday noon. The speaker stressed the splendid results coming from the civic ideals by the various luncheon clubs throughout the country. He stressed the necessity of everyone throwing himself into the community life wherever he lives.

Dr. Simpson told the members of the Club that the Bible was a good book to guide luncheon clubs in the promotion of civic improvement. He drew many illustrations from this book, which had to do with the building of cities. He said that town pride was essential in constructing public buildings, street improvement, schools, etc., but there must go with this desire for unselfish service rather than the promotion of individuals. Unselfish objectives are the fundamental things which make life worthwhile.

Mr. W. L. Arnold presided in the absence of Dr. R. L. Telford. Mr. Arnold has recently been elected first vice-president of the Exchange Club, filling the position which Colonel Harvey Chennault held.

The Club voted to donate \$50.00 to the campaign fund for the road tax. At a previous meeting, the Exchange Club unanimously endorsed this road tax.

Mr. Howard Henderson, correspondent for the Louisville Post and Mr. J. F. Belland, were guests of the Club.

The Exchange and Rotary Clubs are to hear Dr. Simpson Monday night when he will deliver a special address to Luncheon Club men. It is requested all members of both clubs meet at the Glyndon Hotel at 7 P. M. and go to Christian Church in a body where seat reservation will be made for them.

Fire On Estill Avenue

The fire department laddies responded quickly Thursday morning to a call from the home of J. M. Davis on Estill Avenue where the roof was found ablaze. The damage is estimated at about \$3,000 and it is understood that insurance carried amounted to about \$500. Defective wiring is said to have been the cause of the blaze.

(By Associated Press)
Carrollton, Ky., Oct. 19.—Purebred livestock is continuing to gain in favor with farmers in this part of the State. G. C. Koutt, county agent of Carroll county says. Two registered Shorthorn bulls, one Hampshire ram and one Southdown purebred, the latest additions to purebred stock in the county.

LEGION RESOLUTION GOES AFTER SAWYER

(By Associated Press)
New Orleans, Oct. 19.—Resolution demanding the removal of Brigadier General Charles E. Sawyer for "utter unfitness," was presented today to the American Legion Convention by Department Commander Barren of Minnesota. His attack was inspired by the report of the National Rehabilitation Committee which accepted the "pledge of cooperation," given by Sawyer. Colonel A. A. Sprague, of Chicago, Chairman of the Rehabilitation Committee, in his address said, Sawyer has mistakenly maligned Y. G. Mathes of Texas, after reciting that President Harding has said he would not remove Sawyer, said "The thing to do is to ride Sawyer and ride him until he does what we want him to do." The resolution did not immediately come to a vote because of confusion on the convention floor. General John J. Pershing was the principal speaker today. He talked about the National efforts in the World War.

JOE ARNOLD WINS GOLF TOURNAMENT

Joseph B. Arnold, secretary of the Exchange Club and popular young business man, won the tournament at the Golf Club Wednesday afternoon when he defeated T. Douglas one up on the 18 holes after the closest match that has been witnessed since the club was organized. A large gallery followed the final play and watched every stroke with intense interest. Mr. Arnold wins a handsome silver cup as the first prize in the tournament, while Mr. Douglas takes the golf sticks as the runner-up. The tournament created great enthusiasm among the members and gave additional interest to the splendid sport which is being enjoyed by the club members on their attractive links.

STRONG SERMON AT CHRISTIAN REVIVAL

Dr. Simpson Preaches On "The Unrecognized Christ"—Singing Feature of Services

A great audience filling the big auditorium of the First Christian Church heard Dr. Robert N. Simpson last night in the third of his series of sermons and followed Miss White in her leadership in her best song service yet. Delegations from a number of points in the county swelled the audience. Special music consisting of a duet by J. C. Ballard and Miss White and later a solo by Miss Nettie Kate Evans at the piano has been added to the musical forces in support of Mrs. George Fickles and the chorus.

Dr. Simpson used as his theme Wednesday night, "The Unrecognized Christ" and preached an appealing and long UG-4500 appealing and eloquent sermon. It is doubtful if Richmond has ever had a more eloquent preacher than Dr. Simpson, and the increasing audience each evening indicates a community wide interest in the meeting. There were four added to the church in the service Wednesday night. The theme tonight will be, "The Voice of Mystery."

Dr. Simpson made an address to the faculty and students of the Normal School Wednesday and was a guest and speaker at the Exchange Club.

DR. SIMPSON SPEAKS TO NORMAL STUDENTS

Dr. Homer W. Carpenter, head of the devotional exercises at the Normal School Chapel, Wednesday morning and invited all to attend the revival at the Christian Church. Dr. Robert M. Simpson, pastor of the First Christian Church at Birmingham, gave an interesting talk to the student body. He spoke of "Safety First" and compared life to a great machine shop with ourselves as workmen, who control and God's laws of safety to follow. He told of visiting a railroad machine shop where the motto was "Safety First" with many other placards about such as, "Do not approach this workman from behind" and "This machine has been operated 130 days without an accident." It was the desire of each man to have a 100 per cent record.

Dr. Simpson stated that many of the social tragedies of life were caused by the disregard for God's laws especially disregarding Sabbath Day. He said that the desire of each life should be that no one has been injured by his machine today. No accident has occurred because of my carelessness, thoughtlessness or selfish operation of my machine.

GREAT SPORT AT COLLEGE HILL MEET

Madison county fox hunters and their guests from all over Kentucky and Ohio are having wonderful sport this week at College Hill where the annual meet of the Central Kentucky Fox Hunters' Association is being held. The Derby is said to have started with 85 entries.

The first day of the annual Kentucky Fox Hunters' Association meeting opened with the pack staying on the road four one half hours. Due to the pack splitting only 16 dogs finished. The winner was a Walker hound, named Colly, owned by Fred Whitt and out of Log Lick, from Clark county. The splendid weather has made a record hunt and the large crowd which is present for the meet is just enjoying themselves.

SOCIAL and PERSONAL

Covington—Caldwell

The Lexington Herald said Thursday morning:

The marriage of Miss Hester Louise Covington, of Richmond, Ky., to Mr. Luther Bowen Caldwell, of Cynthiana, Ky., and San Augustin, Cuba, was solemnized Wednesday evening at 6 o'clock at the home of the bride's grandmother, Mrs. R. F. Spears, on Clay avenue in this city. Dr. E. C. McDougle, of Richmond, was the officiating minister. After the wedding the bride and bridegroom left for a trip to New York and will be at home after the first of November at San Augustin, Cuba.

The bride is the daughter of Mr. and Mrs. Thomas Thorpe Covington, of Richmond. She was a student in Lexington, graduating later at the Madison Institute and the Eastern Kentucky State Normal School.

Mr. Caldwell is the son of Mr. and Mrs. John Caldwell, of Harrison county, and has been engaged in the sugar industry in San Domingo and Cuba for a number of years. He is now manager of the San Augustin sugar

KIDNEY AND BLADDER TROUBLES CONQUERED OR MONEY BACK

For 40 years, said Dr. Carey, I have been prescribing my Prescription No. 777 (known for years as Marshroot) for kidney and bladder sickness. I have made arrangements with leading druggists to dispense this wonderful prescription at a moderate price on the money back if dissatisfied plan.

Beware of kidney disease—thousands died of it every year who ought to be enjoying the blessings of life and health. Watch the symptoms. If you have specks floating before your eyes, purty eyes, clammy feet or moist palms, backache or side ache, you ought to get a bottle of Dr. Carey's Prescription No. 777 right away.

It has wonderfully benefited tens of thousands of cases of kidney and bladder troubles and is the medicine you can always depend upon. Results are guaranteed.

NOTE—Dr. Daniel G. Carey was a practicing physician for many years and his great Prescription No. 777 aided thousands of sufferers from kidney and bladder troubles. Hereafter you can always get this effective Prescription in both liquid and tablet form at all reliable pharmacists the country over.

plantation at San Augustin, Cuba.

There were present at the wedding only the bride's parents, Mr. and Mrs. Covington, her grandmother, Mrs. Spears, and the bridegroom's brother, Mr. Milton Caldwell, of Cynthiana.

The Bourbon News says: Mrs. Cassius M. Clay is spending the week in Louisville, the guest of her sister, Mrs. Samuel Stone.

Mrs. Susie Duncan left Thursday for a few days stay in Lancaster.

Mrs. W. A. Triplett and children, of Mt. Sterling, are spending a few days with Miss Lucy Brandenburg in Third street.

Dr. E. C. McDougle spent Wednesday in Lexington.

Mrs. Ben Boggs, returned to her home in Bardstown, Tuesday, after a visit to relatives here.

MOTHER!

Your Child's Bowels Need "California Fig Syrup"

Hurry mother! Even a sick child loves the "fruity" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful today may prevent a sick child tomorrow. If constipated, bilious, feverish, fretful, has cold, colic, or if stomach is sour, tongue coated, breath bad, remember a good cleansing of the little bowels is often all that is necessary.

Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody Will Know

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

Well-known druggists say it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Spence Plans For

Agricultural Fairs

(By Associated Press)

Berea, Ky., Oct. 19—County Agent R. F. Spence is completing plans for two school and agricultural fairs, one of which will be held for Rockcastle county and the other for Madison county. The Rockcastle fair will be held at Mt. Vernon, October 27 and 28 and the Madison county fair here, November 23, and 24.

Organization of the Bracket County Jersey Cattle Club with 12 charter members marks the first step which farmers in that part of the State have taken to build up the dairy business of their community.

BREAK UP A COLD IN A FEW HOURS

"Pape's Cold Compound" Acts Quick, Costs Little, and Never Sickness!

Every druggist here guarantees each package of Pape's Cold Compound to break up any cold and end gripe misery in a few hours or money returned. Stiffness, pain, headache, feverishness, inflamed or congested nose and head relieved with first dose. These safe, pleasant tablets cost only a few cents and millions now take them instead of sickening quinine.

Comparison Will Emphasize Its Value

The Studebaker Big-Six Sedan delivers everything you can ask of a motor car.

If you pay more than the Big-Six price, you may buy more weight, but it is impossible to get finer materials or better craftsmanship than are used by Studebaker.

Compare this Big-Six Sedan with the most expensive cars. Check the body with any body built, compare the chassis construction, look into the endurance records of the Big-Six as compared with any other car.

Get behind the wheel yourself. Test its performance, its comfort. Check its appearance with any car at any price. And don't overlook this point: Studebaker has more than 3,000 branches and dealers throughout the country who are always ready to render efficient service.

And finally, compare the equipment and appointments.

Consider the Big-Six Sedan as an investment. There is no reason to pay more. The name Studebaker stands for satisfaction.

GOOD SOAP FOR LESS THAN TWO CENTS A POUND

Make It At Home By This
Easy Process—Takes Less
Than 30 Minutes.

Nowadays, more and more women
are doing as their mothers did and
are making their own soap. If you
never tried it, you will be surprised to
see how easy it is to make good soap,
soft soap, hard soap or floating soap,
just by using kitchen scraps and waste
grease together with a can of Merry
War Lye, the safe and sure soapmaker.
In the old days when soap was made
by the boiling process it took nearly
all day to make a kettle of soap. Now
it is hardly any work at all—requires
no boiling—takes less than 30 minutes.
Saves you money and gives you all

the pure, clear, soap you need for
kitchen, laundry and all household
purposes.

You will find simple directions for
soapmaking on the label of every can
of Merry War Lye—also many other
recipes such as how to make lye
honey, how to soften water, how to
make clothes washing easy, how to
brighten cooking utensils, etc.

Merry War Powdered Lye is also a
wonderful cleaner and purifier for use
about the home, barn, chicken house
and outhouses. Comes in a convenient
can with revolving sifting top that can-
not come off, cannot get lost, recloses
tightly and preserves contents. It is
economical to buy and easy to use.

Ask your dealer for Merry War Lye
—be sure you get "Merry War"—the
lye that has made good for 33 years.

Len Shouse President Of State Association

Bloomfield, Ky., Oct. 19—Len
B. Shouse, of Lexington, was
elected president of the Kentucky
Fox Hunters' Association at the
second day's meeting here. Other
officers elected were Robert J.
Walker, Paint Lick, first vice
president; Morris Gordon, Har-
rodsburg, second vice president;
Dr. W. H. Allen, Louisville, third
vice president; Dr. William Ed-
gar Fallis, Louisville, secretary
and treasurer.

Board of directors: Sidney J.

and R. R. Taylor, Morganfield.
The name of the organization
was changed to the Kentucky
State Fox Hunters' Association.

The cast yesterday was made
at Conne Neck Bend and Chaplin
River, 5 miles south of Bloom-
field, on the Springfield pike. The
hounds took the trail at once and
following a three hour chase, de-
feated the fox at a hole near
Sutherland's mill. Some of the
dogs returned to the original
casting place, took another trail,
but due to the high wind and the
lateness of the hour could not
jump the fox and scattered badly,
some of them not returning until
after dark.

DODGERS WIN ONE FROM CLARK COUNTY

The Clark County High School
Freshmen are the latest victims
of the local Dodge eleven, hav-
ing been defeated on the Normal
field Wednesday afternoon by a
score of 13 to 6. This Richmond
team, for boys under 15 years of
age, has the best record of them
all in this county. Wednesday
they out-played the visitors by a
wide margin. Clark County
would not have scored but for a
fine run of 50 yards by Kelly for
a touchdown after receiving a
punt. The Dodgers might have
stopped him but did not exert
any too much energy. They,
however, tied the count a few
minutes later when after playing
straight football, Bob Dunn hit
center for a touchdown. "Spec"
Young made a drop-kick for the
extra point.

It looked as if the game was
going to be decided by one point
until the last quarter when
Young picked up a fumble and
raced thirty yards for another
marker. Captain Pearson and
Ricci were other good ground
gamers. The line-ups:

Dodgers: Young, re; Hardin,
rt; Carson, rg; Black, c; Thomp-
son, lg; Whoberry, lt; Maupin,
le; Ricci, qb; Dunn, rh; Ballard,
lh; Pearson, fb.

Clark Freshmen: Domigan, re

Substitutes, Dodgers: Hacker

BAPTISTS REPORT \$35,000,000 CASH

CAMPAIGN HAS MADE POSSIBLE
FAST ENLARGEMENT OF EVERY
PHASE OF GENERAL WORK

GAIN 500,000 NEW MEMBERS

Effort Will Be Made to Enlist These
and All Other Baptists in Share
in Forward Movement During
November

Total cash collections on the Baptist 75 Million Campaign up to May 1, 1922, had reached the sum of \$35,152,211.69, according to the general Campaign headquarters. This represents an advance of nearly \$20,000,000 over what Southern Baptists did for their general missionary, educational

DR. L. R. SCARBOROUGH
General Director Baptist 75 Million Campaign.

and benevolent work for the three years preceding the Campaign.

The contribution of larger gifts to religious work has been accompanied by larger spiritual results in the local churches. It is pointed out. For instance, Southern Baptists baptized 150,000 more converts during the first three years of the Campaign than they did in the three years before, gained 3,000 new Sunday schools and 400,000 new pupils, enhanced the value of their local church property by \$33,000,000, enlarged their contributions to local causes by \$22,390,000, and increased their contributions to all causes by \$13,480,490.

Baptist Institutions Grow
Some other phases of denominational progress made possible by the Campaign include increasing the number of Baptist hospitals in the South from 12 to 19, with three others under construction and four more definitely planned; strengthening of 17 Baptist orphanages and the establishment of two new ones, lifting \$3,000,000 indebtedness on 119 Baptist schools, colleges and seminaries, completion and projection of permanent improvements there in the sum of \$4,000,000, and the addition of substantial sums to the endowment funds. Over 2,500 ministerial students are enrolled at Southern Baptist schools.

Church Loan Fund Raised
Among the outstanding accomplishments in the work of the Home Mission Board are the aiding of 1,000 churches in building new houses of worship, the completion of the million-dollar Church Building Loan Fund, strengthening the work among the foreigners and Indians and the 25 Mountain mission schools. The Board has employed an average of 1,495 workers during the Campaign and reports for that period 134,332 baptisms, 218,371 additions to churches, 2,276 Sunday schools and 759 churches organized, and 1,409 houses of worship built or repaired.

On the foreign fields the equipment for mission work has been practically doubled, more than 250 new foreign missionaries have been sent out, more than 400 new native workers have been employed, and the Board has entered the new fields of Spain, Jugoslavia, Hungary, Roumania, Southern Russia, Palestine and Siberia. The Board reports for the period of the Campaign 117 new churches on the foreign fields, 21,723 baptisms, 211 new Sunday schools, gain of 17,576 pupils, native contributions of \$1,093,390.68, and 529,642 treatments administered by medical missionaries.

Another result of the Campaign is that the Relief and Amnity Board, which is seeking to care for the aged dependent ministers and their families, has been enabled to double the number of such persons helped and the amount that is given these beneficiaries. Last year the Board was able to dispense \$128,966 among needy ministers. It has invested assets of \$1,149,088.

Receive 500,000 New Members
More than 500,000 new members have been received into the local Baptist churches of the South since the Campaign began in the hope of enlisting all these in the Campaign, as well as reaching the older members of the churches who have not shared in the forward movement heretofore, the month of November 5-December 3 has been designated as Re-enforcement Month by the Campaign Conservation Commission. During this month it is planned that every Baptist church in the South will call upon all its members who are not already participating in the Campaign and secure subscriptions from them covering the two remaining years of the movement, and cash offerings to the Campaign from all the members. Dr. L. R. Scarborough, of Fort Worth, Texas, who was general director of the original Campaign, has been elected to serve in that capacity for the Re-enforcement program, although the details are being worked out in the various states under the leadership of the secretaries of

the state mission boards. It is hoped to secure several million dollars in additional subscriptions and several million in cash as well by December 1.

MONEY NEEDED TO HELP GOOD CAUSE

In order to carry on a campaign of publicity to give to the voters of Madison county the facts in regard to the proposition to vote on a tax of 20c on each \$100 of taxable property, it will be necessary to raise about \$1,000. The committee and friends of the movement have already subscribed \$200 and any person who is in favor of a progressive movement to improve Madison roads and reconstruct the inter-county seat highways so that the state will take and maintain them is asked to give his or her donation to R. M. Rowland at the Southern National Bank. The money is needed and will be used by the committee to print and mail to the voters all the facts.

New Track Opens With Trotting Races (By Associated Press)

Henderson, Ky., Oct. 18.—The initial race meeting of the Green River Jockey Club was held yesterday afternoon at the new \$700,000 course constructed on Green River Island, midway between Henderson and Evansville, Ind., with some of the best light harness horses in the country entered. The meeting will last five days with four events scheduled for each day. Chief interest in the meet centers in the Kentucky, a 2:04 trot for \$5,000, which is scheduled to be run October 21. The Indiana and Illinois probably rank next with purses of \$3,000 respectively. The Tri-State and Free-For-All Pace for \$2,000.

COMMISSIONER'S SALE

M. D. Settle's Heirs & Plaintiffs vs.

M. D. Settle's Heirs, Defendants
Pursuant to judgment and order of sale entered in the above styled action by the Madison Circuit Court at its October term 1922, the undersigned Commissioner will expose to public sale to the highest and best bidder on the premises near Big Hill, Ky., at the hour of 10 o'clock a. m., on

Saturday, October 28th, 1922
the following described property, to-wit:

Two certain tracts or parcels of land in Madison county, Ky., on the Berea and Big Hill pike, 1st tract known as the home place of M. D. Settle, and containing about 30 acres and bounded by the lands of Lucinda Hayes T. J. McKeehan, Harry Puckett and others. 2nd tract known as the McHone tract and containing about 30 acres and bounded by the lands of Jesse McHone, Baz Williams and John McHone. After the sale of the above lands the Commissioner will then adjourn to the vacant lots in the Dixie Highway Addition to the city of Berea, Ky., at 1:30 o'clock p. m. and sell 12 lots. Said lots will be sold separately and then in groups to be sold together, the groups to be sold together to be located on different streets. This is very desirable property and the home place is well improved.

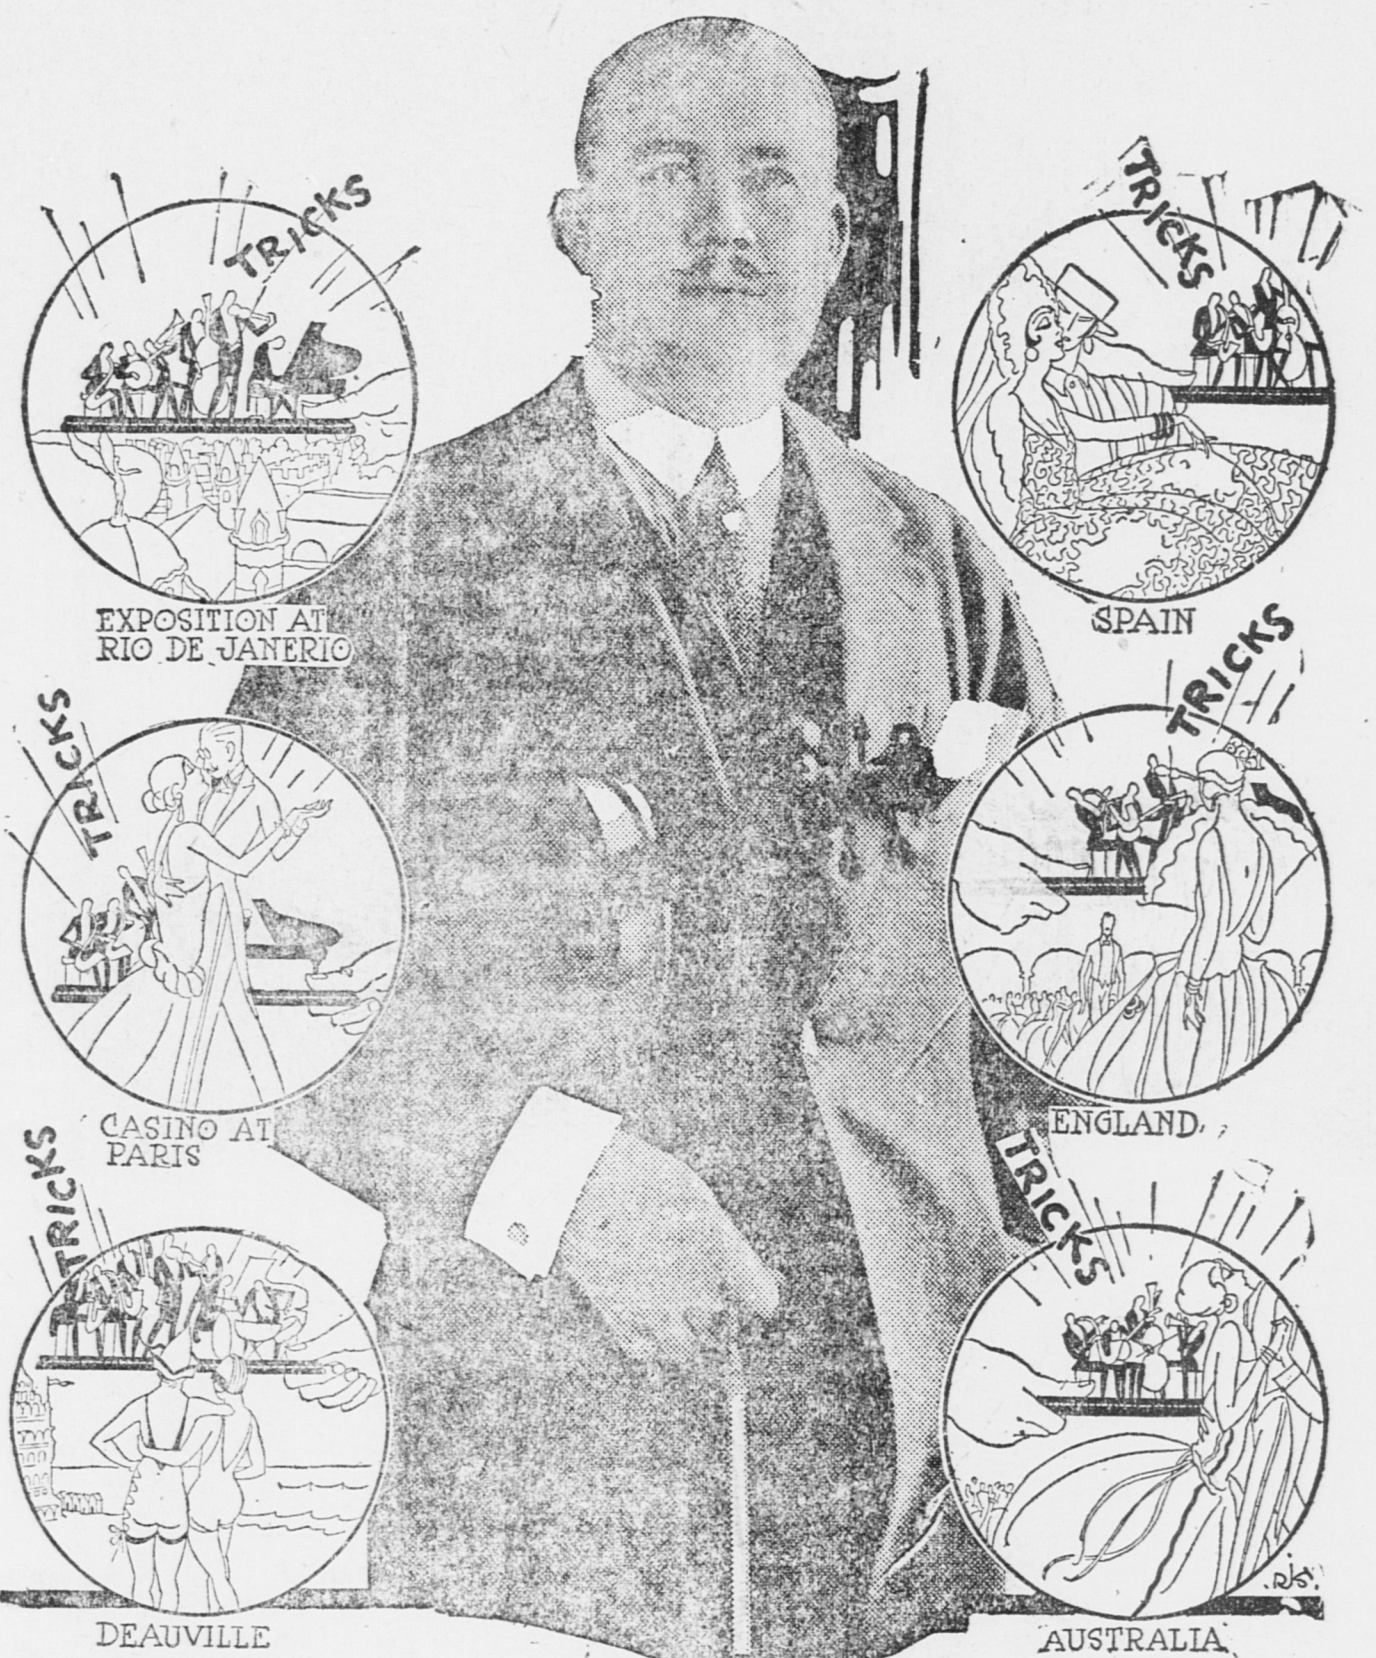

TERMS: The lands to be sold will be on a credit of six and twelve months; the lots will be sold on a credit of six months; the purchasers being required to execute sale bonds, payable to the Commissioner, with approved security and bearing six per cent interest from day of sale until paid, with a lien retained on the property sold to secure the payment of said bonds and interest.

American Music Chief Wins Supremacy For Melodic Wares in Other Lands.

Paul Whiteman Sends Orchestras 'Round World

Paul Whiteman, famous orchestra leader is taking American jazz 'round the world with all the blare and rhythm intact.

He is achieving this in each case by sending an orchestra along to play the music.

In Australia, and in Brazil, where

a great international exposition has just opened, the flappers are stepping to "Tricks." Whiteman's newest jazz hit, and in Paris and Deauville smart continental society is dancing to the same all-American tune.

"For a long time, other countries have been interested in our jazz," Mr. Whiteman declares. "They loved it when they heard it in this country, but for some reason they

declared it never sounded the same when they got it back home."

"Of course the reason for that was that it takes Americans to play American jazz. Now we are sending them jazz players and jazz instruments along with 'Tricks' and other jazz favorites.

"It's working wonderfully and I guess it's safe by this time to say that American jazz leads world dancing."

Dr. Thomas Walker was the man who named the west fork of the Big Sandy the Louisa River, this occurring, according to the Kentucky conference of the Methodist Church is divided into the Ashland, Covington, Lexington, Louisville and South-eastern districts.

GORILLA TACTICS IN FOOTBALL GAME

Interior-Journal Sings Frolics
of High School Team—They
Defeated Elizabethtown Hi

Judging from what the Stanford Interior Journal says, the Elizabethtown High school football team and its coaches must use the tactics of gorillas to help them win a game. They defeated Stanford Hi last Friday 25 to 6 and this is what the Stanford paper says of the game:

If the Stanford High football boys has journeyed to the wilds of the South Sea Islands for a game with the natives, it is very likely they would have received quite as courteous treatment as that shown them Saturday during and after the game at Elizabethtown. It was an experience which makes one wonder if Darwin was right after all, in his theory of the origin of man. If so, the bulk of the population of dear old Elizabethtown has not yet entirely passed through the cocoon stage in the process of evolution. Stanford started the scoring on a touchdown by Capt. Hill within five minutes of play. Then the ugly spirit of the crowd on the sidelines began to assert itself by a shower of sticks and abusive remarks made on the Stanford boys. Stanford was repeatedly penalized by the referee while the grossest infractions on the part of Elizabethtown went unpunished. In spite of such a deal the locals did not stop fighting. The nightmare was featured by the snappy defense wory of Frank Anderson and the long end-runs of Allen Anderson. One of the bright features of the game was the eighty-yard run by Ball on an intercepted pass, which he carried to the two-yard line of Etown just as the game ended.

A COMPLETE CLEAN UP (Elizabethtown News)

The Burley Tobacco Society has driven all the croakers and the doubting Thomases to the woods by its great sale this week of 54,000.00 pounds of tobacco, cleaning up all that was left on hand of last year's crop. The price received for this tobacco was sufficiently large to assure to the contracting tobacco growers another payment equal to either of the other two, or even larger.

Its greatest effect, however, will be upon the growers on the outside. It deprives them of the last shred of argument and most of them, if they are not staying on the outside just to be contrary, will come in out of the wet. In another two or three weeks there will not be enough Burley tobacco growers out of the pool to make any kind of a showing. The independent warehouses will find very slim picking this year and the American Tobacco Co., the only one of the Big Four which has been hostile to the Burley Society, will have to come across and eat out of the hands of Jim Stone and the others if they want any Burley tobacco.

The sale to Reynolds & Co. of this 54,000.00 pounds was the Waterloo for the enemies of the Burley Society. It has left them speechless and hopeless unless they come over and join the 75,000 pledged growers.

The great coup of the Burley Society will also much strengthen the hands of those who are concluding the campaign in the dark tobacco district and it will doubtless go over the top by October 28th, the date set for the end of the campaign.

Before Baby Comes--

EXPECTANT mothers do not undergo useless suffering any longer, and baby's birth can be made gloriously easier.

Mrs. Wm. Fleck, 115 N. 2nd St., Leavenworth, Kan., says: "Mother's Friend" is the best help in the world for an expectant mother. I am the mother of three children and have found "Mother's Friend" fine.

"Mother's Friend" is externally applied about the shoulders, back and hips. It penetrates wonderfully, and in this way allows the muscles and ligaments to relax easily and resist just themselves to the changes during expectancy and at childbirth.

Use "Mother's Friend" as our mothers and grandmothers did. Don't wait, start today, and meanwhile write to Enfield Regulars Co., Bk-45, Atlanta, Ga., for free booklet containing valuable information every expectant mother should have.

"Mother's Friend" contains no narcotics or harmful drugs. It is safe. There is no substitute. Avoid useless greases and plain oils. Start using "Mother's Friend" now—the sooner the better. "Mother's Friend" is sold at drug stores—everywhere.

Endurance Test of Pee Gee Mastic Paint

This house—one of the finest in Toledo—was painted several years ago with Pee Gee Mastic Paint.

Instead of repainting it, the owner had it washed at two different times. The results surprised even the experienced painters, as the paint stood this rigid test perfectly.

Only a paint that produces a tile-like film, such as Pee Gee Mastic Paint, can be successfully washed.

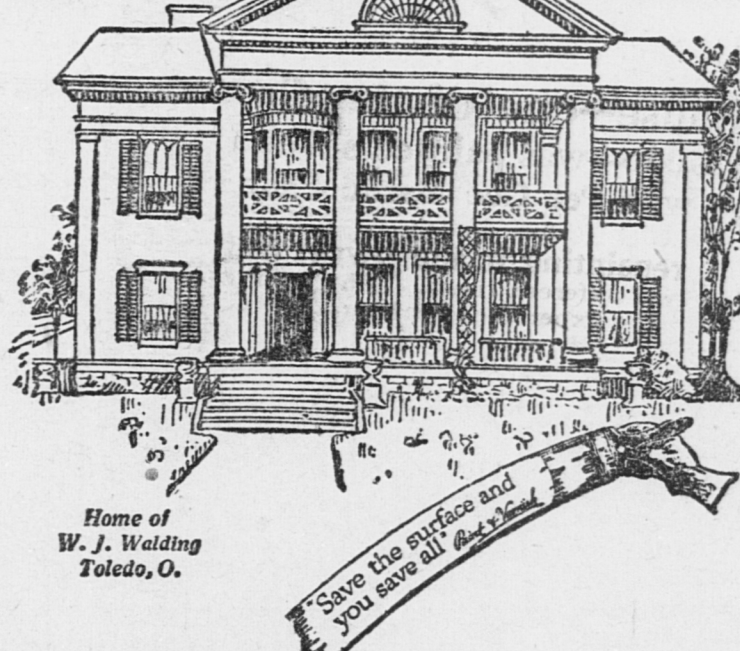

This exceptional durability of Pee Gee Mastic Paint is the result of purest and highest grade materials. A full 50% of Zinc ground in genuine Linseed Oil and White Lead goes into the making of Pee Gee Mastic Paint.

It is the most economical paint for you to use on account of its great covering capacity and long years of service.
